

Your Guide to Solid Waste Services in 2024

Hello, City of Lincoln resident!

Check out our reminders and information below about how you can make a big difference through simple practices. In Lincoln, it's as easy as **One & Done** to *Put Waste in Its Place!*

California's Organics Recycling Law

Senate Bill 1383 (SB 1383) was passed in 2016 and set targets to reduce the organic waste placed in California landfills, which helps prevent that waste from turning into greenhouse gas emissions.

The City of Lincoln is continuing to comply with this law through our "**One & Done**" container approach. Simply place your organic waste into this container that is also used for trash and recycling. Our state-of-the-art Materials Recovery Facility will take care of the sorting for you!

To learn more about SB 1383 and organic waste, visit lincolnorganics.org/residential

Household Waste - One & Done Container

Organic waste: solid foods and scraps

Recyclables: aluminum, glass, plastic, and all paper products

All other trash (NO batteries, toxic materials, and other hazardous waste). For more information on household hazardous waste, visit wpwma.ca.gov

Yard Waste - Green Waste Container

Grass clippings, leaves, and pruning less than 2 feet long and 2 inches in diameter are placed in your green waste container.

Understanding the Calendar

Weekly Service

The “One & Done” container will be serviced every week on your regular collection day.

Bi-Weekly Service

Green waste is serviced every other week, and each street has been assigned a color (blue or yellow) to indicate its week for green waste pickup.

To find out if your street is blue or yellow, visit www.lincolncga.gov/recycling or call (916) 434-2450.
